Re: PFLAG Durham Region 2019 Gala – Sponsorship & Silent Auction

To Whom It May Concern;

PFLAG Canada Durham Region is a chapter of PFLAG Canada, offering education, support and awareness in the Durham Region for Sexual Orientations, Gender Expression and Identities. We are leaders in the LGBTQ community and work together as a community to provide services and support not offered by the region, cities or government of Durham. Every day, PFLAG Canada Durham Region volunteers are contacted by frightened adolescents and by angry, fearful or ashamed parents. PFLAG Canada Durham supports, educates and provides resources to anyone with questions or concerns. 24 hours a day, 7 days a week.

On March 23th 2019, PFLAG Canada Durham Region will be hosting our annual Gala to help raise the funds we need to operate and provide the crucial supports our community needs. We do so through the support of valued Sponsors, who we proudly promote via email, social media, and on site. We also offer opportunities to provide support via a Silent Auction hosted at the event. It is businesses like yours who will make the difference in our community by donating and showcasing your business as one that is engaged in your community. We are asking you to consider taking advantage of one, or both, of these marketing opportunities to help support the critical work we do and to ensure our fundraising efforts are successful. By supporting the Gala, you are helping us combat the many challenges LGBTQ youth face. Did you know:

- 30% of suicides are LGBTQ
- LGBTQ youth hear anti-gay slurs an average of 26 times a day
 - 10-15% of your customers are LGBT
 - 26% of LGBTQ youth are told to leave home

Should you be interested, we have included a sponsorship package which details the multiple levels of sponsorship and the corresponding benefits of each level. If you would like to donate an item to the Silent Auction instead of or in addition to sponsorship, please contact me directly.

Thank you for your time and consideration. I look forward to connecting with you in the near future.
